

# CURRICULUM VITAE

**Family name:** Ferri

**First name:** Maurizio

**Place and country of birth:** Heusden-Limburg, Belgium

**Date of birth (Day/Month/Year):** XXXXX/XX/XXXX

**Citizenship:** Italian

**Residence:** XXXXX/XX/XXXX XXXXX/XX/XXXX XXXXX/XX/XXXX

## **Degree obtained:**

- 1998 School of Veterinary Medicine, University of Turin, Italy .  
Post-graduate specialization in Inspection of Foods of Animal Origin.
- 1992 University of Naples, School of Veterinary Medicine, Naples. Italy  
Post-graduate specialization in Physiopathology of Animal Reproduction.
- 1985 University of Bologna, School of Veterinary Medicine, Bologna, Italy  
Degree in Veterinary Medicine.

## **Additional education:**

- 2007 University of Maryland-JIFSAN (USA): Certificate of completion of Quantitative Risk Assessment residential course on: probabilistic methods and building model. July 2008.
- 2008 University of Maryland-JIFSAN (USA): Certificate of completion of Quantitative Risk Assessment online course: probabilistic methods and building model.

**Language skills:** (1 - excellent; 5 - basic)

Language	Reading	Speaking	Writing
French	5	4	4
Italian	Mother	Mother	Mother
English	5	5	4

## **Position held and work experience:**

- 1989-1991: Dr Ferri from employed as assistant veterinarian at serology, diagnostics and food microbiology laboratories of Zooprophyllactic Institute of Teramo, Italy, with duties related to testing animal samples for brucellosis and other zoonotic infectious disease and necroscopy and diagnostic tests for animal infectious diseases.
- July 1991 to present: Dr Ferri is employed as veterinary officer at Veterinary Service of the Health Unit of Pescara, with duties related to official controls on animal health, animal welfare and food safety. Specific tasks covered supervision of brucellosis and TBC eradication campaign, inspection and audit of meat processing plants/slaughterhouses; management of TRACES system; management of internal quality system according to ISO 9001, developing standard operating procedures and related manuals on food inspection, delivering professional training on animal welfare, food safety, HACCP and microbiological risk assessment.
- 1999-2000: Dr Ferri was in detach-duty as official veterinary surgeon/veterinary officer of the Meat Hygiene Service/State Veterinary Service, UK. Main remits covered: audits of SRM; control of animal health and animal welfare at slaughterhouses and farms; epidemiologic investigation of suspect cases of BSE; veterinary supervision of meat inspection team red/poultry slaughterhouses and meat processing plants; internal audit on official veterinarians, managed animal welfare infringements.

- Dr Ferri participated as veterinary expert to several veterinary technical assistance missions financed by the EU Commission in the following countries: - Rumania (Phare, 2000: preparation of technical specifications of regional animal health and food laboratories for their accreditation for the diagnosis of list A and B diseases of OIE; - Federation of Bosnia and Herzegovina (2002: creation and implementation of bovine identification and movement control scheme and the setting-up of bovine central database; - Armenia (Tacis, 2005: assessment of veterinary legal framework with the aim to approximating veterinary and food safety legislation to EU requirement; - Kosovo (Tacis, 2005-2007: delivering theoretical and practical training on meat inspection and animal welfare according to EU standards, with the overall objective to strengthen the Public Veterinary Services in Kosovo; - Slovack (Twinning, 2005); - Poland (Twinning, 2007), Macedonia (Europaid, 2007: theoretical-practical training on EU food hygiene package, , animal welfare, epidemiological investigation of food-borne diseases; set-up of institutional permanent training program for Veterinary and Food Directorates assessment of institutional food safety capacity at Veterinary and Food Directorates; - Tirana, Albania. January 2009: developing technical specifications for the veterinary and phytosanitary services operating at the border inspection post of Murriqan (JBCP)
- Dr Ferri took part as veterinary expert to seventeen TAIEX missions among workshop and study visits to deliver training in food safety and veterinary public health for the implementation of the *acquis communautaire* in the EU acceding countries. He has gained broad experience in evaluating food safety microbiological risk and assessing Sanitary and Phytosanitary measures (SPS).
- 2010-2011: Dr Ferri performed TAIEX assessment missions in Occupied Palestinian Territory and Jordan on assessment of food safety system and SPS policies.
- May-June 2011: Dr Ferri as veterinary expert managed the BTSF (Better Training for Safer Food) for personnel employed by the Federal Service for Veterinary and Phytosanitary Surveillance (Rosselkhozadzor). San Petersburg, Russian Federation.
- 2014-2015: Dr Ferri as veterinary expert managed several food safety training modules during an Europaid project in Beirut, Lebanon, with the general objective to strengthen the food safety systems and to approximate the Lebanese legislation with the *acquis communautaire*.
- 2018-2020: Dr Ferri as veterinary expert-tutor participates to BTSF on "Auditing general hygiene requirements and control procedures based on the HACCP principles developed by food business operators".

### **Key qualifications:**

- successful candidate of EU open competition EPSO/A/18/04 Administrators (A7/A6) Category II of European Commission. Listed in the EU Commission reserve list. FVO-Audit-evaluation and inspection.
- national and international experience on: evaluating food safety management system; developing capacity building for the implementation of the *acquis communautaire* in the veterinary sector (animal health and food safety) in EU acceding and candidates countries; designing and delivering of training on food safety and animal welfare;
- management, supervision and coordination of team work in national and international contexts;
- new research area focuses on use of data mining, network analysis tools for food safety emerging risks and as member of the Global Microbial Identifier (GMI) working group, political and regulatory environment for sharing food pathogens genome sequences via a global database.

### **Membership of professional bodies and additional commitments:**

Dr Ferri is:

- . member of the EFSA Discussion Group on Emerging Risks (StaDG-ER)
- . Vice-President of Union of European Veterinary Hygienists (UEVH)
- . Chair of the Food Safety and Quality Working Group at the Federation of Veterinarians of Europe (FVE).
- . National Scientific Coordinator of the Italian Scientific Society of Preventive Veterinary Medicine (SIMeVeP).
- . Designated expert for the Italian Ministry of Health's Animal Health and Nutrition Committee.
- . Certificated auditor UNI EN ISO 19011 and UNI EN ISO ISO 22000.

### **Selected participation to scientific colloquia and workshops**

Dr Ferri contributed to several EFSA Scientific colloquia reports and presented during conferences, workshop, symposium.

#### Selected scientific colloquia.

- EFSA Scientific colloquium on Epigenetics and Risk Assessment: Where do we stand?" 14-15 June 2016, Valencia, Spain
- FAO/WHO/GMI "Technical meeting on the impact of Whole Genome Sequencing (WGS) on food safety management- within a One Health Framework", 23-25 May 2016. FAO, Roma.
- EFSA's information meeting: identification of welfare indicators for monitoring procedures at slaughterhouses",. Parma, January 30,2013.
- EFSA Scientific colloquium on: Emerging risks in food from identification to communication. 2010.
- EFSA Scientific colloquium on: Assessing health benefits of controlling Campylobacter in the food Chain.2008
- EFSA Scientific colloquium on: Risk-benefit analysis of food. Parma, November 2007.
- FSA Scientific colloquium on: Animal health risk assessment and risk-benefit analysis of food. Parma 2006.
- COST 920, WG 3, Workshop on Microbiological Risk Assessment. Dubrovnik, Croatia. 2006.

#### Selected oral presentations:

- FAO Workshop on Fish technology, Utilization and Quality Assurance, Bagamoyo, Tanzania.2005;
- FAO Workshop on Fish Technology, Utilization and Quality Assurance, Agadir, Morocco: 24<sup>th</sup>- 28<sup>th</sup> November 2008;
- Symposium on "New Tools Methods, and Approaches for Risk Assessment". Society for Risk Analysis, Annual Meeting. December 10-11, 2009, Baltimore(USA);
- FAO Second Regional Workshop on "Review of EU regulations, hygiene package; monitoring and testing; Banjul, Gambia. June – August 2010;
- Society of Risk Analysis-Europe meeting on: "Microbiological risk assessment and the decision-making process in Italy". A proposed road map. London, June 2010.
- Presentation on "Revision of EU official controls regulation". America Chamber of Commerce. September 12<sup>th</sup> 2013. Kiev. Ukraine.
- Comparison of Chinese and EU's food safety legal framework: how to make chinese food safer. National Conference on Food Safety&Quality. Shanghai. China. 5-6 November 2014.

As of 1995 Dr Ferri published many professional papers related to food safety, microbiological risk assessment and animal welfare.

## **Curriculum Vitae**

### Personal

- 1962 Born in Verbania (Italy), primary and secondary school in Italy (Prov. Novara and Teramo)  
1976 Moved to Germany, German secondary / high school (Idstein, Ingelheim, Berlin)  
1981 Baccalaureate (Berlin)

German nationality (since 1986)

### Education

- 1981-1987 Study of veterinary medicine at Freie Universität (FU) Berlin  
1987-1990 Doctoral dissertation and promotion to “Dr. med. vet.”  
1994 EU concours for the application in EU-KOM (passed and listed)  
1995 Postgraduate specialization: “Fachtierarzt für Öffentliches Veterinärwesen” (Veterinary Chamber of Berlin recognized Specialist for Veterinary Public Health) -3 years specialization period -  
1998 Postgraduate specialisation: „Zusatzbezeichnung Hygieneberatung im Lebensmittelbereich“(Qualification as advisor for Food Hygiene Management) – 6 months specialization period -  
Continuing professional development in food hygiene and other topics in veterinary public health  
June 2013 BTSF “microbiological criteria in foodstuff”, Rome, sponsored by EU-KOM

### Positions

- 1987-1989 Research assistant at the Institute for Avian Diseases at the Free University of Berlin (FU-Berlin)  
1989-1990 Assistant, small animal practice in Berlin  
1994 EU concours of EU-KOM for Inspectors in FVO-Dublin (listed)  
1990-2007 Veterinary Officer in local veterinary offices in Berlin (Schöneberg/Tempelhof-Schöneberg), responsible for food hygiene (most of the time), animal welfare, animal health, dangerous dogs  
2007-2008 Officer at the Federal Ministry for Food, Agriculture and Consumer Protection (BMELV), Department Export/Certification for Animals and Products of Animal Origin (office Berlin) – temporary exchange -

- 2008-2014 Veterinary Officer in local veterinary offices in Berlin (Tempelhof-Schöneberg), responsible for food hygiene (most of the time), animal welfare, animal health, dangerous dogs
- 2015-2016 Director of local veterinary service Tempelhof-Schöneberg and Director in charge of local Service of Public Order of the district
- Since 2016 Director of local veterinary service Tempelhof-Schöneberg and Director of local Service of Public Order of the district

### Projects regarding food hygiene

- 1994 Teacher in Fish Hygiene Training (EU-Legislation and Implementation of HACCP) with FAO (Food and Agriculture Organisation), Mar del Plata, Argentina, (7.-11. November 1994) (Briefing: 26.-28. October 1994 in Rom)
- 1995 Teacher in Fish Hygiene Training (EU-Legislation and Implementation of HACCP) with FAO, Conakry, Guinea (West-Africa), (28. January - 3. February 1995)
- 1995 Member of a team in a Project of Implementation of HACCP Concepts in fish industry, Fa. ANCOOPESCA SpA, Ancona, Italy (28. August – 1. September 1995)
- 1996 Investigation on Implementation of HACCP-concepts in the fish industry in EU and in third countries, hygiene requirements of EU Member states in relation to imports in fish sector, FAO Headquarter, Rom, Italy (6. Mai - 31. August, October 1996)
- 1997/1998 Work on reports on the Implementation of the Fish Hygiene Directive, EU-KOM DG VI / DG XXIV, Brussels, Dublin (February, November 1997, March 1998)
- 1998 OECD - Workshop on Fish Hygiene Inspection in the EU and in the EWR, Paris (January 1998)
- Since 1999 Teacher on Food Hygiene (HACCP, later Hygiene Package, Tasks and Duties of Food Inspectors, Food Inspection in General) in the Education Tool for Food Hygiene Technicians in the Academy of the Berliner Senat.
- Since 2003 Organization of training courses for official veterinarians on certification and export/import of food and animals (BbT)- one per year
- June 2009 Lecture “Role of the Veterinary Hygienists of FVE in Europe”, ALTS General Assembly, Berlin, Germany
- Mai 2012 Lecture on Quality Management for German food hygiene authorities, Fiera della Sanità pubblica, Bologna (Italy)

Attendance to several international congresses in Germany and in Europe

Attendance to meat inspection conferences of EU-KOM, Brussels

### Activities on Animal Welfare

- 1993-2002 Chair of Pet WG of TVT (several Information Broshures for Vets and for the public)
- 1995 Animal welfare conference acc. to Decision 93/119/EWG of EU-KOM at Bundesforschungsanstalt für Viruskrankheiten der Tiere, Berlin
- 1996 / 1998 Companion Animal Welfare Conferences (NCDL/SAL), Budapest (1996), Bratislava (1998)
- 1996 / 1999 Projects: Animal welfare in Schools at some elementary schools in Berlin
- 2001-2002 Chair of the FVE WG on ritual slaughter (Position Paper)
- Since 2002 Organisation and chair of annual seminars of the BbT on animal welfare and animal health (EU-COM accompaniment)
- 2006– 2009 Co-Chair of the FVE WG on animal welfare during slaughter and killing (Position Paper/statement for a new EU-Regulation)
- 2008-2011 Co-Chair of the FVE WG on animal welfare labelling (Position Paper)

- Since 2009 Chair of the FVE WG on puppy trade ( Position paper ongoing)  
 2009 Organisation and Chair of international seminar for off.vets on animal transports in Germany  
 2010 Diarel-Project, final Conference, Istanbul, March 2010  
 2011 Organisation and Chair of international seminar for off.vets on animal transports in Germany

Attendance to several international congresses in Germany and in Europe  
 Attendance to animal welfare conferences of EU-KOM, Brussels

#### Activities in other fields

- 2006 Lecture and attendance at Congress of the Irish Association of official Vets in Adare, Co. Limerick, Ireland (April 2006)  
 2006 Lecture on new strategies in avian Influeza control, FVE/EASVO Conference, Malaga, Spain  
 2007 Lecture on Structure of the German Veterinary Services (in Italian language), in Valle della Lucania (SA), Italy  
 2008 Lecture on Structure of the German Veterinary Services (in Italian language), in Scandicci, Florenz, Italy  
 2009 Lecture “The official veterinarian“ in Europe, (Engl.), 11<sup>th</sup> Greek Veterinary Congress, Athens, Greece  
 2010 Lecture on Veterinary Education at Universities in Germany (in Italian) and attendance at Consiglio Nazionale FNOVI, Rome, Italy  
 2010 Veterinary Week 2010, Conference on Identification and Traceability, Brussels, June 2010, Belgium  
 Since 2003 Organisation and chair of several international seminars for off. vets on trade of animals and goods in Europe and on certification for exports (Germany)  
 Dec. 2013 Participation at OIE Conference on Statutory Bodies in the word in Foz do Iguazu (Brasil) as German delegate  
 May 2016 Lecture “Il nuovo Regolamento UE sulle malattie animali trasmissibili: cosa ci aspetta?”(The new EU-regulation on transmissible animal diseases: what is new?) Exposanità Bologna, Convegno: “Novità in arrivo dall’UE: il «Pacchetto Sanità Animale» e il nuovo “Regolamento sui controlli ufficiali”  
 June 2016 Lecture “La protezione degli animali nel nuovo Regolamento Animal Health Law” (animal protection in the new EU-Regulation Animal Health Law), VetMare Ischia  
 January 2017 Workshop on Cooperation between Practitionners and official vets in Habsburg, Switzerland, Swiss Veterinary Association  
 April 2017 Lecture on Duties and Organisation of the Federal Association of State Veterinary Officers in Germany, Olten, Switzerland, Swiss Association of State Veterinary Officers  
 February 2018 Lecture on “Il Regolamento 2016/429 del 9 marzo 2016, relativo alle malattie animali trasmissibili e che modifica e abroga taluni atti in materia di sanità animale. Cosa Cambia“., Convegno Nazionale Bologna, Italy  
 April 2018 Lecture on “I controlli ufficiali in Europa ed in Italia: un confronto fra alcuni modelli e prospettive della loro evoluzione in seguito all’applicazione dal Regolamento (UE) 625/2017”, Convegno Ordine Veterinari Sassari, Italy  
 June 2018 Lecture on “Legislazione dell’Unione Europea sui controlli ufficiali negli stati membri”, Convegno regionale Avezzano, Italy

Nov. 2018 Lecture on “ I controlli ufficiali in Europa ed in Italia: il confronto fra alcuni modelli e prospettive della loro evoluzione in seguito all’applicazione del Regolamento (UE) 625/2017” Convegno Ordine Veterinario Cagliari, Italy

Attendance to several international congresses in Germany and in Europe  
Attendance to animal health, veterinary medicines conferences of EU-KOM, Brussels

#### Paperwork on Food Hygiene

- Ricerca di pesticida toxafene in filetti di Persico del Nilo originari del Lago di Vittoria, G. Gandini, C. Rossi, 1996 (Ministero della Sanità, Roma)
- Guideline for Fish Exporters: Modalities and Requirements for EU-Market (Globefish), C. Rossi, 1998
- Application of HACCP in the Fish Industry (worldwide):1999’s overview; Carlos A. Lima dos Santos and Cornelia Rossi; Third International Conference on Fish Inspection and Quality Control, Halifax, Nova Scotia, Canada, 6-8. October 1999
- Auf der Suche nach einem modernen Konzept zur Fleischuntersuchung, C. Rossi-Broy, 2012, Fleischwirtschaft
- Neue Wege zur Untersuchung von Fleisch, C. Rossi-Broy, 2012, Rundschau für Fleischhygiene und Lebensmittelüberwachung

#### Paperwork on Animal welfare

- Frühkastration bei Katzen: ein Tierschutzproblem? (BpT – Info, 1998)(Early neutering in cats: an animal welfare problem ?)
- Bericht über die zweite internationale Tagung über Tierschutz bei Kleintieren in Bratislava (BpT – Info, 4-1999)(Report on the second conference on animal welfare on pets in Bratislava)
- Gefährliche Hunde: Abgleich, Anwendung und Bewertung der Ländervorschriften in Deutschland, Cornelia Rossi-Broy (DTW, 107, 94-99, März 2000)(Dangerous dogs: comparison, implementation and evaluation of legislation in the different Lander in Germany)
- Tierschutz muss von allen Beteiligten gelebt werden, Cornelia Rossi-Broy (Amtstierärztlicher Dienst, 2009/III, S. 163, 2009)(Animal welfare should be lived by everyone)

#### Positions of trust

Since 1997	Board member of Federal Association of Veterinary Officers – BbT (Germany), responsible for international issues (Food hygiene, Animal health, animal welfare, European veterinary legislation)
2000-2016	Member of the BTK (Federal Chamber of Order) Food Hygiene WG
Since 2000	German representative in EASVO
2001-2002	Chair of FVE Working Group on ritual slaughter
2001-2005	Vice-President of EASVO
2005-2013	Member of FVE WG on Food Hygiene
2005-2009	President of EASVO
2006-2009	Member of FVE WG on animal welfare during slaughter and killing
Since 2007	Board Member of BTK (Germany), responsible for international issues (food hygiene, animal health, animal welfare, European veterinary legislation) and lobbying in European Institutions (EP, EU-COM, EU-Council, FVE)
Since 2007	Delegate for the BTK in FVE

2008-2011 Co-Chair of FVE WG on animal welfare labelling  
2009-2013 Board Member of EASVO (senior president)  
Since 2012 President of Association of State Veterinary Officers of Land Berlin  
2013-2015 Vice-president of EASVO  
Since 2015 Treasurer of EASVO  
Since 2017 Member of Financial Committee of FVE  
Since 2017 Member of working group of FVE on food safety  
Since 2018 Member of ad hoc Working Group of FVE on Animal Health Law
